3.5. In the case of sharing personal data via email, which implies that you do it outside our website, we cannot guarantee that it will be safe and secure. Our recommendation is to avoid sending confidential information by email with no encryption. Due to Article 6, Paragraph 1 of GDPR (Lawfulness of processing), the legal framework means that your consent to process the provided data is required. It is possible to revoke the consent at any time you like, and sending an informal email is enough. All our contact details are provided below.

4. How we use your information

We may use the information that you provide to us or that we collect about you for the following purposes:

- 4.1. Provision of services. Client Data, Trading Account Data and Tracking Data may be collected and processed by us to provide you with the Services that you request from us and to perform the respective Operative Agreement accepted by you. Data collected for that purpose will only be kept as long as necessary to provide the requested Services.
- 4.2. Compliance with applicable legislation and regulatory framework. Any data collected may be processed by us to detect, investigate and prevent activities that may be illegal, that may violate the Operative Agreement and also to comply with the requests for information of the competent regulatory or law enforcement authorities. Such data will be kept for a minimum duration of 5 years after the Account closure in accordance with the current applicable laws.
- 4.3. Creation of additional promotion and advertising:
 - We may use the e-mail address registered to your Client Login ID to provide you with information about products and services related to our Services, if you agree to this service at the time your Client Login ID is created. You may also opt-out from use of your e-mail address for this purpose at any time, by sending an e-mail from the e-mail address registered to your Client Login ID to support@earn.eu stating that you do not wish to receive such information. Alternatively, you may opt out by following the unsubscribe instructions at the bottom of each e-mail you receive from us.
 - We may use Tracking Data to monitor, improve, or modify the Services and our operations.
 - We may use the e-mail address and/or phone number that you registered with us via contact forms at our web sites, to provide you with information about our products, services and promotions, if you agreed to receive this kind of information while registering with us. You may also opt-out from use of your e-mail address for this purpose at any time, by sending an e-mail from the e-mail address that was registered with us to dpo@earn.eu stating that you do not wish to receive such information. Alternatively, you may opt out by following the unsubscribe instructions at the bottom of each e-mail you receive from us.

5. Sharing your information

We will not share your personal data with anyone else except for the following limited circumstances:

- To the extent that we are required to do so by applicable law, by a governmental/regulatory body or by a law enforcement agency, or for crime prevention purposes.
- In order to provide the Services to you, the Company is legally required to pass on your personal data to the relevant tax authorities of the Republic of Cyprus, and they may also be exchanged with tax authorities in another country or in other countries where You, the Client may be a tax resident in accordance with the CRS decree, and the ACFT Law.
- In order to provide the Services to you in accordance with the Law [L. 87\(I\)/2017 regarding the provision of Investment services, the exercise of investment activities and the operation of regulated markets](#) (the Investment Services Law) the Company is legally required to report to the Cyprus Securities and Exchange Commission (“CySEC”), information about your transactions in financial instruments the underlying of which are traded on regulated markets. Such information includes your personal details, such as first name, last name, country of citizenship, date of birth and other personal identification data.
- Where necessary to, we may share your personal data with third parties who provide services to us, the Company uses a variety of third party service providers to help us provide you with Services you request from us. Service providers may be located inside the European Economic Area (“**EEA**”). Service providers may help us:
 - (i) verify your identity or authenticate your identification documents;
 - (ii) check information against public databases;
 - (iii) conduct background or police checks, fraud prevention, and risk assessment;
 - (iv) perform product development, maintenance and debugging, or
 - (v) provide customer service, advertising, or payments services. These providers have limited access to your information to perform these tasks on our behalf and are contractually bound to protect and to use it only for the purposes for which it was disclosed and consistent with this Privacy Policy.

6. Your rights according to the General Data Protection Regulation

In addition to your opt-out right under section 4.3., you may exercise the following rights at any time:

Right of Access: You may ask us to provide you with copies of the personal information that we hold about you, or with information about the processing of such information.

Right of Rectification: You may ask us to update and correct any out-of-date or incorrect personal information that we hold about you.

Right to be forgotten: You may ask us in certain circumstances to delete the personal information we hold about you. In case that these circumstances apply to your case and provided that no exception to this obligation applies (e.g. where we are obliged to store your personal data in compliance with a legal obligation under Cypriot or EU law), the Company acting as your controller will erase your personal data from its records.

Right to restriction on processing of personal data: You may ask us where certain conditions apply, to restrict the processing of your personal data.

Right of portability: You may ask us to provide you with your personal data in a structured, commonly used and machine-readable format, and have the right to transmit those data to another controller without our hindrance, when certain conditions are met. This right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

Right to object: You have the right to object on grounds relating to your particular situation, to certain types of processing such as direct marketing or where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.

Right to withdraw consent: Where you have provided your consent to the processing of your personal information by the Company, you may withdraw your consent at any time by sending a communication to us specifying which exact consent you are withdrawing. Please note that the withdrawal of your consent does not affect the lawfulness of any processing activities based on such consent before its withdrawal.

If you wish to exercise any of these rights, then please complete the personal data request by email using the registered email address you disclosed to us, to the following email address dpo@earn.eu

Please note that if you request the erasure of your personal information:

- We may retain some of your personal information as necessary for our legitimate business interests, such as fraud detection and prevention and enhancing safety.
- We may retain and use your personal information to the extent necessary to comply with our legal obligations. Please note that we are legally obliged to keep on record all and any information that pertains to the provision of investment services to you and which is

necessary to fulfill our obligations under the applicable laws for a period of up to 7 years after account closure.

- Some copies of your information (e.g., log records) may remain in our database, but are disassociated from personal identifiers.
- Because we maintain security measures to protect our data from accidental or malicious loss and destruction, residual copies of your personal information may not be removed from our backup systems for a limited period of time.

Additionally, in some jurisdictions, applicable law may give you the right to limit the ways in which we use your personal information, in particular where (i) you contest the accuracy of your personal information; (ii) the processing is unlawful and you oppose the erasure of your personal information; (iii) we no longer need your personal information for the purposes of the processing, but you require the information for the establishment, exercise or defense of legal claims.

You have the right to complain to the Data Protection Commissioner's Office if you feel that the Company has not responded to your requests to solve a problem. You may find their contact details here: <http://www.dataprotection.gov.cy/>

7. Children

We recognize that we have a special obligation to protect personal information obtained from children. We will not knowingly collect personal information from any child, or process such information, without parental consent. For the purpose of this Policy, a child means any individual who is under the age of 18 (or the minimum legal age to consent to the collection and processing of personal information where this is different under applicable law).

8. Security

8.1 The Company has implemented all reasonable technical, administrative and physical security measures to protect the security of your personal information and all client data including the placing of financial transactions and/ or orders from accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to personal data transmitted, stored or otherwise processed.. The whole network communication in the context of sharing financial and/ or personal information is protected by the use of a password and followed by encryption.

8.2 All received information that the client provides is stored on secure servers and only authorized staff have access to this information. We take reasonable precautions to prevent the loss, misuse or alteration of your personal information. Our employees, contractors and agents may be given access to your personal information which we collect, but their use shall be limited to the performance of their duties in relation to facilitating your use of the Services.

Our employees, contractors and agents who have access to your personal information are required to keep that information confidential and are not permitted to use it for any purposes other than those listed above or to deal with requests which you submit to us. We require organizations outside the Company who handle or obtain personal information acknowledge the confidentiality of this information, undertake to respect any individual's right to privacy and comply with all relevant data protection laws and this Privacy Policy.

8.3 We have appointed a Data Protection Officer to ensure that our management of personal information is in accordance with this Privacy Policy and the applicable legislation.

9. Cookies

9.1. Cookies disclosure for earn.eu

9.1.1. The Sites use cookies and similar technologies that collect Tracking Data to distinguish you from other users. This helps us to provide you with a good experience when you access the Sites and use the Services.

9.1.2. A cookie is a small file of letters and numbers that a website places on your computer or device when you visit a website. You are given the opportunity to consent to using of cookies or refuse from them as you enter our Sites. If you have opted out, we only use the strictly necessary cookies (as described below) and store one permanent 'compliance' cookie which tells us that you want to opt out of use of any other cookies. For more information about cookies, we recommend that you visit www.allaboutcookies.org.

9.1.3. The cookies that are used on the Sites fall into the categories described below. These descriptions can help you determine if and how you would like to interact with our Sites and other online services:

- **Strictly necessary cookies**

These cookies are essential in order to enable you to navigate the Sites and use certain features. Without these strictly necessary cookies, the online services provided by the Sites cannot be provided. It is therefore not possible for you to opt out of use of these cookies. In addition, the coding language the Sites are written in uses session cookies and their use cannot be avoided. These are deleted each time you close your browser. These cookies do not store any information about the visitor once the browser is closed.

The Company has implemented the Invisible reCAPTCHA on its websites specified in the point 4 of this policy. reCAPTCHA API works by collecting hardware and software information, such as device and application data and the results of integrity checks and sending that data to Google for analysis. The reCAPTCHA is a subject to the Google [Privacy Policy](#) and [Terms of Use](#).

- **Performance cookies**

Our performance cookies collect anonymous information about how you use the Sites and their features. For instance, our performance cookies collect information about which pages on the Sites are visited most often, which advertisements you view or interact with on the Sites or other websites on which our advertisements appear and if you receive any error messages.

- **Analytics cookies**

The Sites use Google Analytics, a web analytics service provided by Google, Inc. (“**Google**”). Google Analytics uses “cookies”, which are text files placed on your computer, to help us analyse how users use the Sites. The information generated by the cookie about your use of the Sites (including your IP address) will be transmitted to and stored by Google on servers in the United States. In case of activation of the IP anonymisation, Google will truncate/anonymize the last octet of the IP address for Member States of the European Union as well as for other parties to the Agreement on the European Economic Area. Only in exceptional cases, the full IP address is sent by us to and shortened by Google servers in the USA. On behalf of us, Google will use this information for the purpose of evaluating your use of the Sites, compiling reports on website activity for us and providing other services relating to website activity and internet usage to us. Google will not associate your IP address with any other data held by Google.

Furthermore you can prevent Google’s collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout>. Further information can be found under <http://www.google.com/analytics/terms/gb.html> (Google Analytics Terms of Service & Privacy). Please note that on the Sites, Google Analytics code is supplemented by “gat_anonymizeIp();” to ensure an anonymized collection of IP addresses (so called IP-masking). Also, you can prevent Google Analytics to collect such data on behalf of the Company by clicking on the following link: <https://tools.google.com/dlpage/gaoptout>.

This website also uses Yandex.Metrica web analytics provided by YANDEX LLC, 16, Leo Tolstoy St., Moscow, 119021, Russia (hereinafter referred to as the “Yandex”).

Yandex.Metrica uses “cookies,” small text files placed on users’ computers to analyze user activity.

Information collected by cookies does not reveal your identity, but it can help us to improve our website performance. Information about your use of this website collected by cookies will be transferred to Yandex and stored on Yandex’s server in the EU and the Russian Federation. Yandex will process this information to assess how you use the website, compile reports for us on our website operation, and provide other services. Yandex processes this information as specified in the Terms of Use of Yandex.Metrica Service.

You can stop using cookies by making relevant adjustments in browser settings. You can also use the tool <https://yandex.com/support/metrika/general/opt-out.html>. However, it can affect some website functions. By using this website, you agree that Yandex can process your data in the above manner and for the above purposes.

The Sites may use other similar analytics cookies. These cookies are used to collect information about how visitors use the Sites. The information is collected anonymously, and used to report on the number of visitors to the Sites, where the visitors have come from, and the pages they have visited.

- **Functionality cookies**

Functionality cookies are used to remember choices you make (such as language preference, country location, or other online settings) and collect anonymous information.

If you wish to refuse the use of cookies by us or by third parties, you can change your browser settings to reject cookies. As the means by which you can do this varies from browser to browser, please visit your web browser’s “Help” menu for further details. Please note that, should you choose to refuse the use of cookies by us, this might impair some of the functionality of the Sites and the Services.

9.2.2. Trading platform – Language

Thanks to this parameter, the website assigns you language cookies so that you could access the service in the required language version for one month.

9.2.3. Trading platform - LP Session ID

The Session is necessary to get your user session identified. The service usage is connected with registration as well, and the storage period lasts for one year.

9.2.4. Trading platform - CSRF

It happens to be a set for CSRF protection to get customer actions validated. The retention period is over when the browser is closed.

10. TLS encryptions with HTTPS

We utilize HTTPS to spread the data over the internet in an interception-proof way, which means that the information is protected via technology by design Article 25, Paragraph 1, GDPR. With the help of TLS (Transport Layer Security), an encryption protocol applied to Top Markets Solutions Ltd to securely spread data over the internet, we can guarantee that your data is protected and remains confidential. You can see that this data transmission security system is applied with a little lock symbol located in the browser's upper left corner as well as the "HTTPS" scheme used as a part of the website's address.

11. Settings and deletion of cookies

You have to open your browser settings if you want to figure out which cookies are stored, you are willing to delete them, or you intend to change the cookie settings:

- Chrome: Activate, delete, and manage cookies in Chrome;
- Safari: Manage cookies and website data with Safari;
- Internet Explorer: Delete and manage cookies;
- Firefox: Delete cookies to remove data that websites have stored on your device.

It is possible to set the browser to notify you when cookies are set and ask you to approve it every time if you do want to store your data through cookies. Moreover, you are free to disable or delete

cookies that are already stored on your device at any time. The process should be different for different browsers. For this purpose, you can search for instructions through Google if it is Chrome, and the term should be “Disable cookies Chrome” or “Delete cookies Chrome,” and you can put another browser’s name (e.g., Edge, Firefox, Safari). Some pages and features on our website may not work properly if there is no allowance to use cookies from your side (i.e., you get them disabled in settings).

12. Autosaving data

Websites automatically create and store certain information when you visit them, and our website is not an exception. When clients visit our website, the way you are doing right now, the web server collects and saves the following data:

- The address (URL) of the web page you visit;
- The used operating system;
- The browser and its version;
- Date and time;
- The address (URL) of the page you visited before (referrer URL);
- The hostname and the IP address of the device via which the website was accessed;
- In files that are web server log files.

Web server log files tend to be stored for half-month and are deleted automatically when this period ends. We do not disclose this information to anyone, but the risk of this information being accessed by third parties illegally still exists.

Under Article 6, Paragraph 1 of GDPR (Lawfulness of processing), legitimate interest should take place in maintaining this website’s faultless operation by gathering web server log files.

13. Third party sites and services

13.1. The Services may contain links to other websites operated and services provided by third parties, including those retailers you enter into a transaction with. Please note that this Policy applies only to the personal information that we collect through the Services and we cannot be responsible for personal information that third parties may collect, store and use through their websites or their services. You should always read the privacy policy of each website you visit carefully.

13.2. If you link, connect, or login to your client login ID via a third party service (e.g. Google, Facebook etc), the third party service site may send us information such as your registration and profile information from that service. This information varies and is controlled by that service or as authorized by you via your privacy settings at that service. If you have chosen to connect your personal page to a third-party application, you can change your settings and

remove permission for the app by changing your Client Login ID (Personal Page) setting at any time. You are responsible for keeping your personal information with such third party applications up-to-date and secure so as to ensure the integrity of your Client Login Page. We encourage you to read the privacy policies and other terms of such third parties before accessing or using them.

14. Google fonts Privacy Policy

Our websites utilizes Google Fonts from the company Google Inc. (1600 Amphitheatre Parkway Mountain View, CA 94043, USA). The Google Fonts use requires no authentication, and cookies are not sent to Google Fonts API. No Google account data will be shared with Google while utilizing Google Fonts if you obtain a Google account. The use of CSS and the Fonts applied is the only information recorded and stored securely.

b) Pseudonymization

Our concern about the GDPR is the enhancement of both web presence and offer. As our visitors' privacy is a high priority to use, their data is pseudonymized. The processing of the data is based on the legal provisions of Article 6 of GDPR, Paragraph 1, the data subject has allowed it for legitimate interest.

c) Deactivation of data collection by Google Analytics

The users of the website can disable Google Analytics from accessing their data when utilizing the browser add-on to stop Google Analytics-JavaScript (ga.js, analytics.js, dc.js).

It is also possible to prevent the gathering of information generated by the cookie connected with your use of our website and forwarded to Google.

In addition to that, you can prevent the processing of this information by Google if you download and install the browser plugin accessible at the below link:

16. Google analytics IP anonymisation

On this website, we have applied the IP address anonymization of Google Analytics. Google developed this function to guarantee that this website meets the applicable data protection regulations and local data protection authorities' recommendations in case they ban the storage of full IP address. We have also implemented IP address anonymization. It means that IP addresses are masked or anonymized when they get into the Google Analytics data collection network and before the information is processed and/or saved.

You can find more information about that at

<https://support.google.com/analytics/answer/2763052?hl=en>

17. Google analytics reports on demographic characteristics and interests

We are using Google Analytics advertising reporting features. The interest and demographic reports comprise details about gender, age, and interests. This allows us to receive a better understanding of

our visitors without having to assign this information to individuals. You are free to find out more about the advertising features at

https://support.google.com/analytics/answer/3450482?hl=de_AT&utm_id=ad

You may stop utilizing the information and activities of your Google Account. For this purpose, you need to click the Checkbox under “Advertising Settings” at <https://adssettings.google.com/authenticated>

18. Google analytics addendum for data processing

There is a direct customer agreement between Google and us regarding the use of Google Analytics by complying with the “Data Processing Addendum” in Google Analytics. Users can learn more about the data processing addendum for Google Analytics at

https://support.google.com/analytics/answer/3450482?hl=en&utm_id=ad

19. Google AdSense Privacy Policy

We utilize Google AdSense on this website, which is the advertising program from Google Inc. (1600 Amphitheatre Parkway Mountain View, CA 94043, USA).

Your IP address and information on the introduced advertising material might be transferred to servers in the USA and processed there. The aim of cookies in AdSense is to improve advertising, and they do not include any personal details. After every click, impression, or any other activity that results in a request to the servers of Google AdSense, it sends a cookie to the browser. If it accepts that cookie, it will be kept there.

It is possible for third parties to access AdSense in order to locate and read cookies in the browser or utilize Web Beacons to keep data that they have through spreading ads on the website. Web Beacons are tiny graphics that provide log file analysis and recording, and they are applied for statistical analysis for online marketing purposes.

20. Dashly Privacy Policy

We apply the Dashly service to gather personal data about visitors. Thanks to it, we can identify and communicate with you, as well as provide you with information and access to Products. The Personal Data comprises visitors’ phone number, name, technical user personal data, email address, along with other information submitted by them and allowing us to identify such a customer, directly or indirectly. The Personal Data is collected to record and use the submitted details in our databases; conducting statistical research, providing services and access to them, getting feedback, responding to user requests, providing information about advertising materials and services, analytics of user activity on the website and its functioning, to enhance our services and Products, and to notify about the services’ progress with the help of different communication means.

These means of communication can be:

- Mailing lists;

- The Internet;
- Telephone;
- Email;
- SMS/MMS messages;
- Messages through communication services, like WhatsApp/Viber, etc.

The information gathered about visitors is hosted on Google servers, and Google is known for its attitude when it comes to security. Furthermore, this data is decentralized. For more information, you can click on the following link:
